Dear Patient,

We are writing to inform you that Babak Abbassi, MD, General Surgeon, is no longer a part of Hunt Regional Specialists General Surgery as of December 1, 2025. We are sincerely grateful for the compassionate care he has provided to our patients and our community.

Your continuity of care remains our top priority. Eitham Haim, MD, General and Trauma Surgeon, will continue to provide comprehensive general surgery services. Dr. Haim has graciously agreed to assume care and complete any procedures that were previously recommended or scheduled, ensuring your care continues without interruption. Our team will contact you to coordinate your appointment promptly and smoothly.

If you prefer to transfer your care to a provider outside of our practice, a medical records release form has been enclosed for your convenience to allow records to be sent to the provider of your choice.

Thank you for trusting Hunt Regional Specialists with your care. We are honored to serve you and remain committed to providing exceptional care to our patients and community.

Sincerely,
