

November 24, 2025

Dear Patient,

We are writing to inform you that Jaison John, MD, Gastroenterologist, will be departing Hunt Regional Specialists Gastroenterology. His final day with our practice will be January 31, 2026. We are sincerely grateful for the compassionate care he has provided to our patients and community.

Until his departure, Dr. John will continue caring for his patients and providing the same high level of clinical excellence you have come to expect.

Following his transition, Khaldun Khatib, MD, Gastroenterologist, will continue to provide comprehensive Gastroenterology services and remains available to accommodate new appointments. Dr. Khatib has also graciously agreed to complete any procedures that Dr. John has recommended or scheduled after February 1, 2026. This will ensure that your care continues without interruption. If Dr. John has advised a future procedure such as a repeat colonoscopy, no additional office visit is required before that procedure. Our team will contact you to ensure your appointment is scheduled promptly and smoothly.

If you prefer to transfer your care to a provider outside our practice, we have enclosed a medical records release form for your convenience.

Thank you for trusting Hunt Regional Specialists with your care. We are honored to serve you and remain committed to providing exceptional service to our patients and community.

Sincerely,

A handwritten signature in blue ink, appearing to read "L. Boles", is written in a cursive style.
